

KLEEN™ SC9560 Grease Trap Cleaner

- Concentrated product
- Pleasant citrus smell
- Low toxicity
- Contains no acids
- Effective at low dosage
- Biodegradable

DESCRIPTION AND USE

KLEEN™ SC9560 is a unique blend of powerful surfactants and odour control agents specifically designed for grease trap cleaning applications. KLEEN SC9560 added to grease traps aids in dispersing sludge and prevents scum and odour buildup. The odour control agents result in a pleasant citrus smell when this product is used. Continued use of KLEEN SC9560 will result in a gradual cleanup of most grease traps as well as preventing the accumulation of further sludge and scum. The solvents used in KLEEN SC9560 are completely biodegradable.

TREATMENT AND FEEDING REQUIREMENTS

KLEEN SC9560 daily dosages typically range from 1 to 4 litres per 1000 litres of sump volume. KLEEN SC9560 can be dosed continuously or slug fed. It is slug fed it should be allowed to remain in contact with the deposits for 2 to 8 hours depending how dirty the system is.
